

# Playing Social Membership

An alternative way to finance Golf Club membership

Cost - £75 until 30 April 2013 including levies to the Devon County Golf Union, English Golf Union and liability insurance. This includes full social membership with a bar discount card.

Other Fees - £15 per round (£10 during Winter Time). You can play at any time subject to course availability.

Handicap – Playing Social Membership will entitle you to a fully recognised CONGU handicap. This can be your old handicap reinstated or your play can be assessed on the submission of three cards.

Competitions – Playing Social Membership will entitle you to enter some Club competitions but not to represent the Club in matches.

Applications – Former-Playing Members and ex-members can apply by advising the Club Manager. These will be processed without delay and playing rights will commence on receipt of payment. New applicants will be required to provide a few details and an application form is available from the bar.

Further details are available from Jonathan Lee or Ben Thorn on 01395 513451
